We The People...!

What makes Cumberland special? We the people: the students, the faculty, the staff, working together to educate all those willing to learn.

We, as students, are unique. Whether we be working adults or teenagers, American or foreign, male or female, we are all trying to achieve the same goal, to continue our education.

Cumberland's welcome mat is always waiting for fresh, new feet to comfort. Your age, your size, or your color doesn't matter. Cumberland is home to anyone who decides to become a part of the school's present and future.

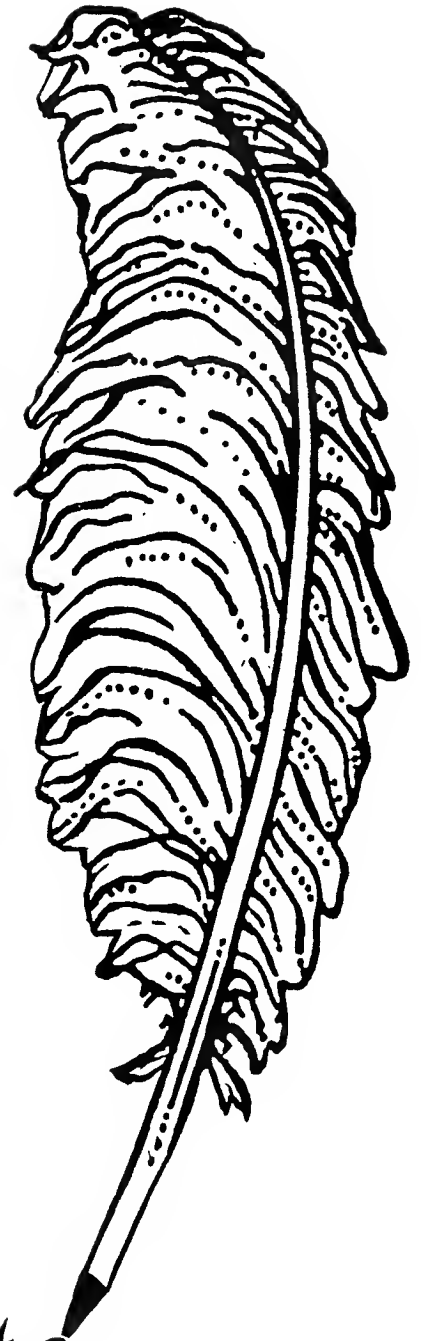

The differences in Cumberland's "family" are large in number. "No two people are alike" as the saying goes, and this is also true about Cumberland. The institution thrives on the different personalities and traits each person holds.

When we look back on our college years, we will be able to remember all of those people who made Cumberland that special place. Each individual will have his own memories to cherish. Now, as well as then, we will be able to see that "We The People" are the star that makes Cumberland University Shine.

REGISTRATION

You know you're in college after you've suffered through the ordeal of registration. Long lines, tons of paperwork, and the signing of checks are some of the characteristics of the dreaded college beginning. The first task of registration involved filling out a biographical questionnaire and checking in with admission counselors. Smiles were needed to continue, as I.D.'s and yearbook pictures were taken. Preregistering for fall semester classes and still more paperwork kept the scholars active. Final approval of classes was needed to gain permission to progress to the business facet of registration. Many emotions were observed when the accounts were tallied; some students were elated with the "free ride" they received, while others cringed as they signed personal checks to pay for their education. The registration battle was finally conquered with much comfort and relief.

SLAVE AUCTION

The Cumberland Cheerleaders held one of the most unique activities during the year. They decided to have a slave auction to raise some very needed money. Twenty-five men and twenty-five women were sold to the "highest bidder" on the person. The amounts ranged from \$1 to \$50. The slaves had to put in one "hard day's work" for their master. The auction was very successful and the cheerleaders raised \$215.

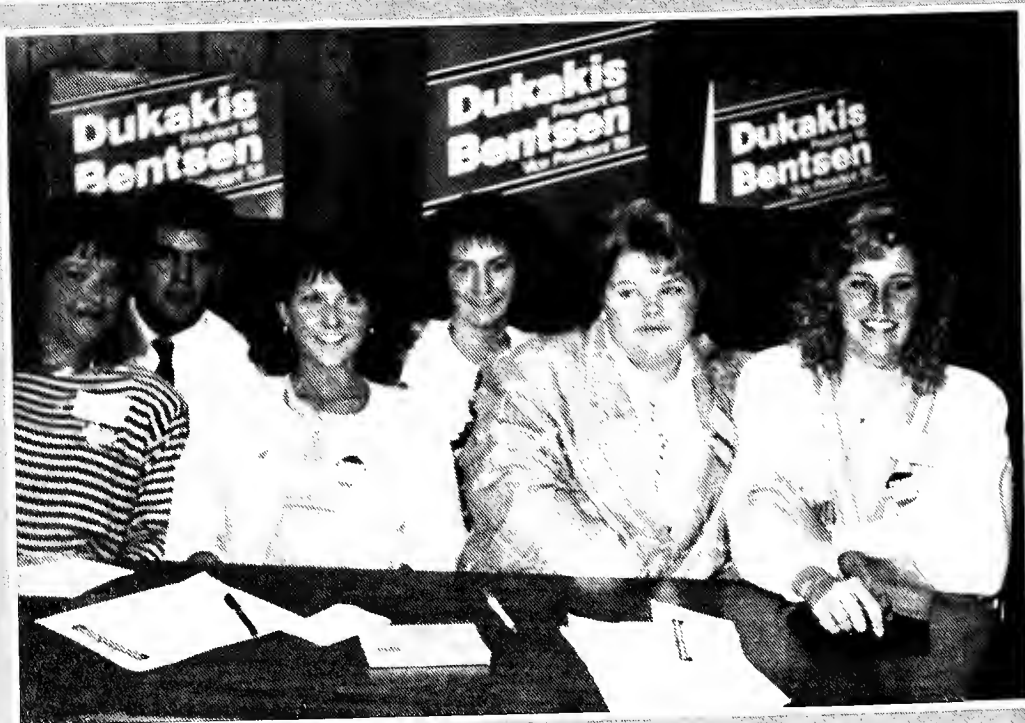

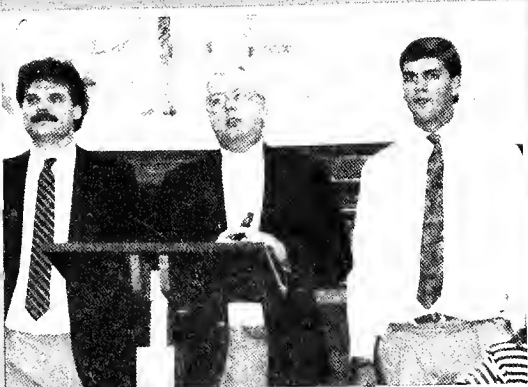

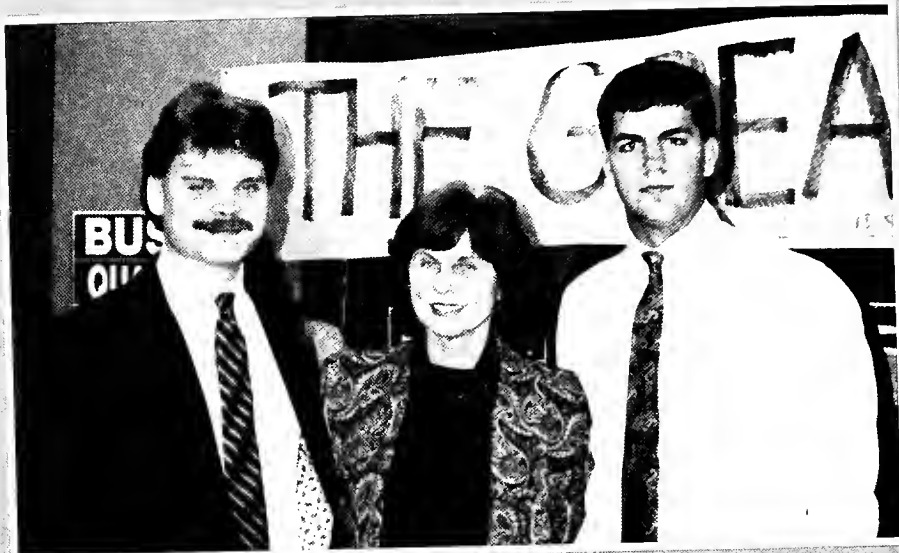

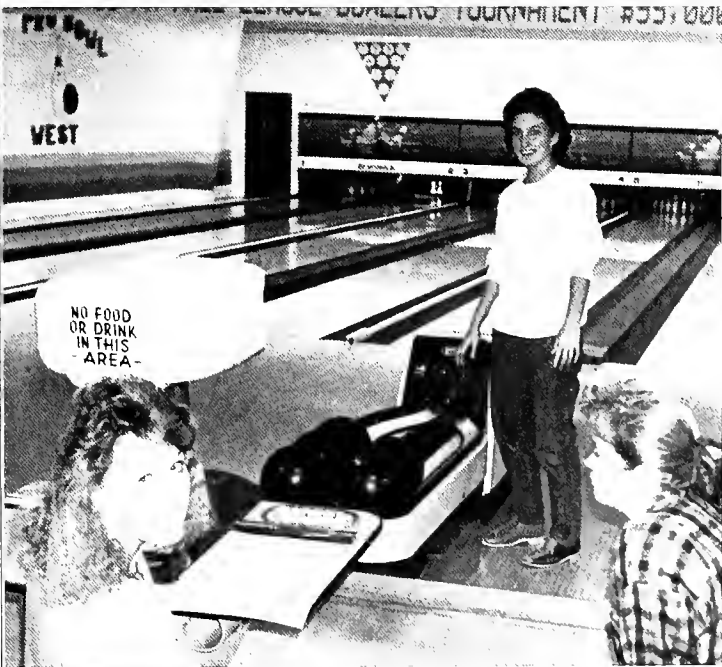

MARK TWAIN ON TOUR

On Thursday, October 6, the Student Council sponsored a show entitled "Mark Twain on Tour". Ken Richters appeared as Mr. Twain through an arrangement with the International Production Company. Mr. Richters acts out the part of Mark Twain as he would appear if he himself were alive. He kept the audience on the edge of their seats and sent them rolling out the door with laughter.

HAYRIDE AND BONFIRE

Tuesday night of Fall Frolic brought a Hayride and Bonfire. Two trucks and a wagon full of students beared the cold air to have a night of fellowship. Songs and jokes were heard during the entire trip. After returning from the hayride, the students roasted hotdogs and marshmallows over the bonfire. The night ended as the fire simmered out.

WIN LOSE OR DRAW

The Lone Ranger would be very pleased if he had seen all the "quick drawing" during the Win, Lose, or Draw contest. Seven teams competed against each other as they played charades by drawing. Laughter and warmth was felt by the "artistic" work. When the smoke had cleared, Tom Davis, Daniel Collier, and Robbie Allen had won the final battle.

THE GREAT PUMPKIN CAPER

On October 6, the Development Office sponsored a pumpkin carving contest. A large crowd of students, faculty, and staff turned up with several ideas. The contest consisted of 3 different categories with different winners in each. Sony Sok was awarded for carving the scariest pumpkin. The funniest pumpkin belonged to Leslie Reece and the most creative champions were Tom Davis and Lance Oldham. The contest was the first of its kind at Cumberland and was a hit among those who participated.

HALLOWEEN DANCE

October 31 was the night for freaks to make their appearance. The Cumberland Masquerade Dance was no exception as creatures of all kinds hoogied the night away. Dorothy of The Wizard of Oz, Ronald Reagan, a mummy, a bunny rabbit, and many other characters enhanced the night with their presence. Winners of the costume contest were given money for displaying their creativity. First place went to Wendy Payne, dressed as a person taking a shower, and second place went to Dale Moles, dressed as a flashy lady.

HOMECOMING 1989

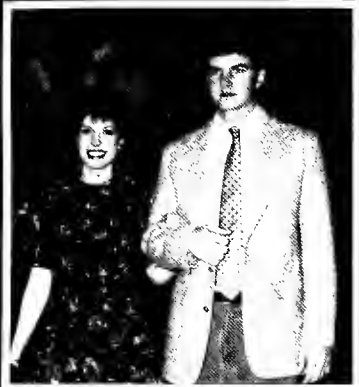

Homecoming '89 was one that will always be remembered. On Monday night of Homecoming week, a bonfire was on the agenda. Tuesday night Doug Berky, a professional mime, was the highlight of Comedy Night. Wednesday brought 2 movies, "Wall Street" and "3 Men and a Baby". "Outburst" and "Secrets" were games for Game Night on Thursday. On Friday Night, a trip to Ice Centennial kept everyone busy. Saturday was the big day. With the theme "Waiting For A Star To Fall", the Cumberland Basketball teams played Belmont College. The Lady Bulldogs captured a victory in overtime, 77-76, while the men were defeated by 96-93. The crowning of the queen was the highlight of the night. Ms. Dawn Brawner was voted Homecoming Queen with Mary Beth Oldham as 1st runner-up and Beverly Burton as 2nd runner-up. The night ended with a Homecoming dance, deejayed by Mad Dog.

The Homecoming Representatives were:

The Student Council at Cumberland is our student government. They are the link between the students and the faculty, staff, and administration. The council is made up of three officers, three commuter senators, three resident senators, and two IPCs. They represent the student population to the council and they represent the council to the Internal Planning Committee. Some of the activities that the council has sponsored are movie nights, the hayride and bonfire, Homecoming, movie and mocktails, dances, orientation, Christmas at Cumberland, Mark Twain, and Jumprope for heart.

ALPHA LAMBDA DELTA

Alpha Lambda Delta is a national society which honors academic excellence during a student's first year in college. Its purpose is to encourage superior scholastic achievement among first year students, to promote intelligent living and a continued high standard of learning and to assist women and men in recognizing and developing meaningful goals for their future roles in society.

Once initiated, the student becomes a lifetime member of Alpha Lambda Delta. Members may remain active in the chapter throughout college. Officers are elected to serve during their Sophomore year.

The Cumberland University chapter of the Alpha Lambda Delta Organization is directed toward those students who have maintained a 3.5 or better grade point average during their first semester in college. The most important attributes of Alpha Lambda Delta are the values which it upholds: a search for the truth, the burning flame of knowledge, and a strong base of honor.

The Student Tennessee Education Association is an organization for prospective teachers. STEA is a state affiliate of the Student National Education Association. STEA provides leadership training, special services, and insurance to all members. Any student who is an education major at a state, regional, or nationally accredited institution can join STEA. This pre-professional organization makes the members more aware of their role and the issues and the problems in education. They also have the opportunity to interact with other students who feel the same way about education that they do.

C.U.'s STEA is very active organization on the campus. The club attends conventions, has picnics, has bake sales, and the regular meetings. All education majors are encouraged to join.

BAPTIST STUDENT UNION

The Baptist Student Union is a Christian organization for everyone. The group is not just for Baptists, but is a non-denominational organization. The BSU meets every Wednesday at 11:00 a.m. in the newly donated BSU house. We have guest speakers, singers, and encouraging words from our fellow members.

BSU is three things in one — a fellowship of students, a program for students, and an organization involving students. BSU seeks to involve students in both an inward journey of Christian growth and an outward journey of witness and ministry to others.

BSU is a place for anyone who enjoys sharing, love, and true Christian fellowship.

FELLOWSHIP OF CHRISTIAN ATHLETES

The 1988-89 FCA officers are President — Jon Franklin; Vice-President — John White; Secretary — Bill Boyd.

The Fellowship of Christian Athletes is a national organization, and its official purpose is, "to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in the fellowship of the Church." The F.C.A. here at Cumberland is not just for athletes and is non-denominational. We are an informal group where everyone is welcome to discuss their problems and successes they have had throughout the week and join together in prayer.

The Cumberland Collegian returned to campus this year. With the assistance of Dr. Martha Bone and Mrs. Bonnie Daniel, the staff was able to keep the Collegian alive. The staff I had to work with this year was one of the best. Sometimes we pushed the deadline back, but we always got the paper out. Thanks for all the help and support we received over the past year. Remember, without a public a paper is worthless — so thanks for reading the Collegian.

RADIO STATION

Unfortunately, a group picture of our demons of the airways is unavailable. After a fall semester of slow starts, the group pulled together and had a GREAT spring semester. The members of WFMQ's radio staff are Billy Potter — station manager and deejays Lance Roy, Daniel Collier, Steve Webster, Libby Haines, Kelly Skelton, Kim Ford, Tom Dabeck, Tom Davis, Tim Tate, Demeterius Carter, Brian Garrett, Jamie LaRowe, Gavin Hockey, Larry Scully, Sandie Richardson, and Tanya Farmer. While the campus tuned into 91.5 F.M., the guys and gals of WFMQ kept on rocking. Assisting station manager Billy Potter were news manager Sandie Richardson, Production Manager Daniel Collier, Program Director Lance Roy "Redman", Promotion coordinator Tanya Farmer, and Sports Director Tom Davis.

PRESIDENT'S ASSOCIATION

The President's Association of Students at Cumberland University is an elite group of students. They are representatives of the college. They are directly in connection with the school's president. The President's Association is a host at many social functions.

THANK YOU

H. BERT COBLE

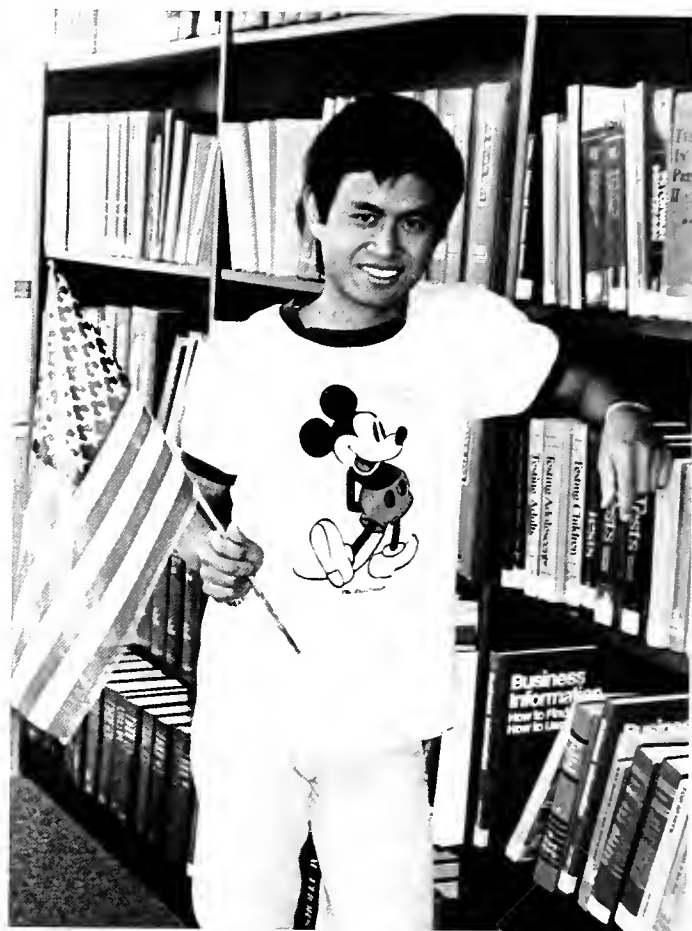

Served with great distinction on the Cumberland University faculty from 1972 until his retirement in May 1983. Shared his exceptional talent and love of music with many students and the community in a meaningful way.

THANK YOU

Led the 1987-88 Cumberland Baseball team in bringing home the District 24 title and winning the Area 5 Tournament, earning a spot on the 10-team NAIA World Series in Lewiston, Idaho. Brought great esteem to the University through the many honors achieved by his players. His example and influence have made a vital difference to his players, to Cumberland students, to his associates, and to the community during his years at Cumberland University.

SONY SOK

PROUD TO BE AN AMERICAN

Sony Sok was born in Cambodia but because of the war and economic conditions he and his family had to leave the country. They came to the United States and finally ended up living in Nashville, Tennessee. Sony graduated from Hillsboro High School.

He was working at the YMCA in Nashville and met Dr. Patton who was the Director of Admissions for Cumberland at that time and he told Sony about Cumberland and the rest is history.

Sony, a sophomore, is a big man on campus — he is involved in almost everything. He is the manager of the soccer team, a Student Council Senator, on the annual staff, a member of the President's Association of Students, tutors in math, and can usually be seen at all the school's activities.

A very special event will be taking place in Sony's life in May when he will become a citizen of the United States of America.

Congratulations Sony. We are very proud of you.

CANDY BLANKENSHIP

CANDY COMES TO CUMBERLAND

The prestigious history of Cumberland University and the reputation the Education Department has for turning out good teachers were two of the reasons Candy Blankenship chose to transfer to Cumberland after she finished at Volunteer State Community College in Gallatin, Tennessee.

Candy is pleased she made the decision to come to Cumberland. Even though she does not live in the dorm but commutes from her home in Gallatin daily Cindy feels very much a part of the campus life. She is happy about all the new friends she has and she enjoys the small school atmosphere where students are able to participate in so many activities. She is thrilled at being a charter member of Sigma Delta Sigma, the new sorority on campus.

If you know Candy at all one of the things you notice first is her vivacious personality and second you notice how many different sweaters she has in her wardrobe. When asked about the sweaters she quickly tells you she hopes to teach first grade one day and she collects these colorful sweaters because little children will love to see them when she is a teacher.

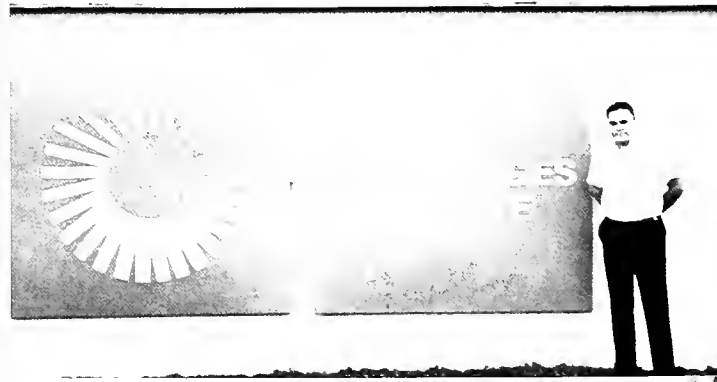

This girl could be a future "Teacher of the Year."!!!

NANCY FRANKLIN

WITH A LITTLE HELP FROM MY FAMILY

Nancy Franklin is a full-time elementary school teacher at Cambridge University. She says she is a busy person, but she finds time for her family. She likes to play cards and board games but she might have to wait for a chance to play. She likes to play cards and board games but she might have to wait for a chance to play. MIRA JANE BORDERS

IN MY OWN LITTLE CORNER

If you need to find Mira Jane Borders during the week you might discover her in her hideaway, Mitchell Library. She seems to study best when she is curled up in a chair in her own little corner of the world in the back of the library.

Mira Jane is from Gallatin, Tennessee and chose to attend Cumberland mainly because it was close to home and she could go home on weekends.

This Freshman has a 4.0 GPA and is involved in many activities on Cumberland's campus. She is a cheerleader, a member of the Baptist Student Union and the Fellowship of Christian Athletes, and was a member of this year's Homecoming Court. She is also on the Tennis Team and she says she enjoys the comradery the team members share.

This is a very special young lady and Cumberland University is glad she chose to come our way.

ANTHONY DILLIGARD

LOCAL BOY MAKES GOOD

Anthony Dilligard grew up in Lebanon and went to Lebanon High School where he played basketball for four years. He went to Middle Tennessee State University for his freshman year in college but then decided he wanted to play ball for his hometown college. The Bulldogs are glad he made that decision since Anthony is one of the leading scorers for the team.

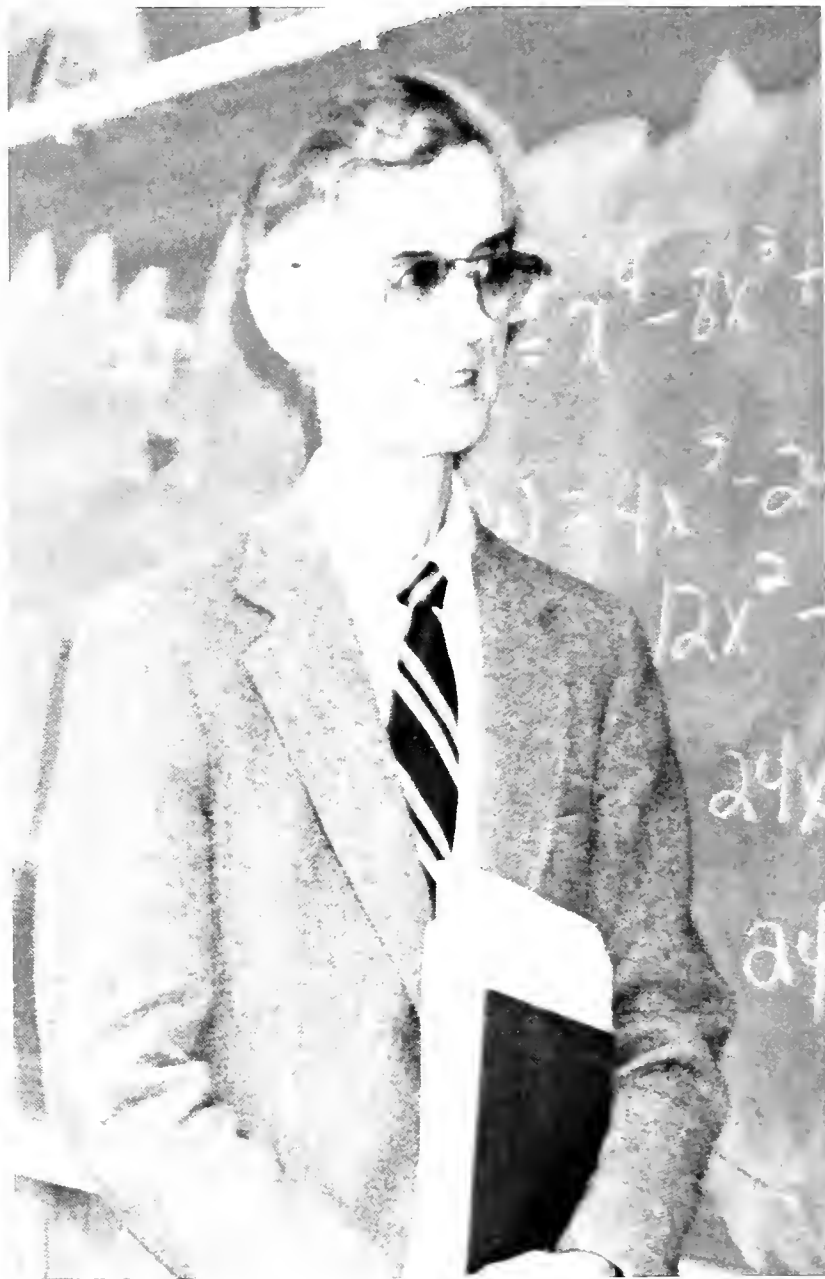

Anthony's mother and sister can be found in the stands cheering him on at almost all the games. Basketball is very big in his family. He and his mother attend many Lebanon High ball games to see his sister play.

Anthony works at Coaches Amoco station on weekends during the ball season and works about 20 to 25 hours the rest of the year but he keeps his grades up too. He is a business major with an emphasis on computer information systems.

This local boy could really go far. Good Luck!

DEAN JACK HOWARD

A
LEGEND
IN HIS
OWN
TIME

Almost every school has a teacher who has been there so long that they have become a tradition. Cumberland University is no exception — we have Dean Jack Howard who has been teaching math here for thirty years. He also was the Academic Dean and in charge of financial aid for many years.

Several years ago Cumberland's Board of Trust honored Jack Howard by making him Academic Dean, Emeritus. All who know Dean Howard know of his dedication to the students and the hours he gives to the students who have asked for special help.

Dean Howard grew up almost in the shadow of Memorial Hall and he still lives in the same house with his mother, Mrs. Freda Howard. The Howard family has been connected with the Cumberland family for so many years it is hard to separate the two.

Dean Howard — A friend to students!

IMOGENE AHLES

BEHIND EVERY MAN IS A GREAT WOMAN

Mrs. Imogene Ahles has really been the woman behind the President of Cumberland for many years. She graduated from Cumberland and stayed on to become the President's secretary. She is now the Administrative Assistant to Dr. M. Walker Buckalew.

Presidents have come and gone but they all knew what they had in Mrs. Ahles — a woman who loved Cumberland and who had the ability to run a busy office in a very efficient way.

Mrs. Ahles' dedication to Cumberland is appreciated by everyone connected with Cumberland, the Board, the Administrators, the Faculty, the Staff, and the Students.

Imogene and her husband, Judge Rodney Ahles are very active in their church, the First Presbyterian Church of Lebanon, and they have worked in some special ministries there including a puppet ministry. She is very active in community activities and has been a member of the Business and Professional Women's Club for many years.

Thanks, Mrs. Ahles for all you have done for Cumberland.
